Rules and Regulations

Equipment & Apparel: No player shall be allowed to wear a guard, cast, hard brace or other potentially dangerous equipment on his or her elbow, hand, wrist, finger, or forearm, including equipment made of hard leather, plastic, plaster or metal—even if the equipment is covered with soft padding. Soft braces, sleeves and wraps will be allowed unless they pose a danger to other players. The game official retains the right to disallow any equipment or apparel that it judges to be dangerous. All clothing must be appropriate. Please wear gym friendly shoes.

Length of Game: *If a score of 20 is achieved within 12 minutes.*

If neither team has reached a score of 20 points, the court official shall stop the game after 12 minutes of play. In all situations, the court official shall declare a technical foul if the official determines that a team is intentionally stalling to run out the clock.

If a score of 20 is not achieved within 12 minutes.

If at this point of interruption a team has a lead of 2 or more points, that team is declared the winner

If neither team has at least a 2 point advantage, the overtime rule will be activated. In overtime, the first team to score a total of 2 points more than the leading team's score at the beginning of the overtime session, or reach 20 points, will be declared the winner.

Keeping Score: All made baskets from inside the two-point arc count for one point and made baskets from outside the two-point arc count for two points. The first team to 20 points is the winner.

Time-Out: Each team is allowed a single one minute time-out per game. The clock will not stop running during a time-out.

Substitutions: Substitutions may only be made during a time-out or a "dead ball" situation.

Player Injury: An official has the discretion to suspend play for the protection of an injured player. If a player is bleeding or has an open wound, that player will be directed to leave the game and properly bandage the wound. A player with any bloodstained clothing or bandage must remove the stained/saturated material prior to re-entering the game.

Fouls: All called fouls, whether shooting or non-shooting, shall result in one free throw shot, except on a successful field goal, in which case the basket counts and no free throw shot is awarded. However, if a player is beyond the two-point arc and is in the act of shooting when fouled, two free throw shots will be awarded, except on a successful field goal, in which case the basket counts and no free throws are awarded. A change of possession will result regardless of whether the free throw shot(s) is (are) made or missed. During a free throw, opposing team players may not intentionally disrupt the shooter's unhindered throw. After a foul shot, the ball will be placed into play from the back-court line. Incidental contact between opponents shall not result in a called foul unless such contact results in a meaningful disadvantage.

Checked Ball: The ball must be "checked" by an opposing player before it is put into play. The check-in must occur behind the "take-back" line. The pass may occur anywhere on the court, but the on-ball defender must remain behind the two-point arc.

Change of Possession: The ball will change possession after scored baskets and all free-throw attempts with the exception of Technical, Intentional or Flagrant fouls. There will be no "make it, take it" rule.

Sportsmanship Policy

Good sportsmanship and cooperation is both anticipated and expected. The team captain, if applicable, is expected to aid in controlling teammates' and team followers' conduct and to represent his/her team as spokesperson in case of appeals to the court official. Poor sportsmanship could result in penalties against the team in either the Technical, Intentional, or Flagrant foul categories. Acts such as fighting, taunting, intimidating or verbally attacking a tournament official, player or spectator may lead to removal of that player, team and/or spectator from the tournament.
